Re: PSC Case No. 2007-00471

Dear Commissioner Clark;

I received a letter from Mr. Goff dated February 29, stating that the Commission was awaiting the filing of the tap fee from connection of new customers. I apologize for the delay, but I understood at the hearing that Mr. Goff was going to provide that information for you. Nevertheless, the information regarding the tap fee is attached hereto.

If you need any further information, please let me know.

Sincerely,

Miki Thompson

RULES AND REGULATIONS

A special form application and service contract or agreement shall be executed by the Customer and approved and accepted by both the Owner of the transmission line and the Company prior to the time the tap or connection is made. If the transmission line is owned by the Company only, the approval and acceptance of the Company is necessary.

All meters, regulators, equipment and connections necessary to serve the Customer from a high pressure transmission line shall be installed on the Customer's premises at or as near the transmission line as is practical.

Suitable site or location for the equipment owned by the Company or the owner of the line shall be provided and furnished by the Customer without any expense to the Company or Owner of the line. The Company or Owner of the line shall have the right of ingress, egress and regress to and from this location at any time without any expense or charges from the Customer.

The Customer's service line extending from the outlet of the meter shall be installed and maintained by the Customer at his expense.

The Customer shall notify the Company promptly of any leaks in the transmission line or equipment, also, of any hazards or damages to same.

Customers may be required to send in monthly readings to the Company on suitable forms provided by the Company.

Service to mobile homes. An applicant requesting service to a trailer may be required to pay all costs of connecting service incidental to the installation of service except for the meter and regulator. In addition to this, a deposit of 2/12 estimated annual bill is required to secure payment. All fees to be paid in advance. If service is provided 12 months at the same location, any installation fees in excess of the deposit will be refunded.
